Hands

In our school there isn't a day,

That our hands aren't used some way.

The seniors use their hands to pass,

Hoping to reach the top of their class.

The faculty use their hands to teach,

The students' minds they hope to reach.

Underclassmen use their hands to learn;

High honors, they try hard to earn.

Activities are important in our school,

Once again hands are the most useful tool.

In sports our hands help again,

To make it possible for us to win.

*Our friends, the teachers, help us out,
When our heads are filled with doubt.
They show us that they understand,
Always there with a helping hand.*

Student Council Rules With an Iron Hand

Student Council serves many purposes in the school. Two of these are improving administration-student body relations and participating in student government. In the past, the Student Council has relieved the faculty of some responsibilities and has established the student court, which is still in operation. This year, the Council also edited the Comet Handbook.

Nancy Laing, treasurer, and Sue Loutzenhiser, secretary.

Dave Moyer, president, and Del Mack, vice-president.

The responsibility of planning and sponsoring the following activities also kept the Student Council busy: football homecoming, football and basketball banquets, the Sweetheart Dance, Bermuda Day, and the spring elections. The Council purchased a headboard for the school's activity calendar and established a scholarship fund.

The group's advisers were Mr. Ingraham, Mr. Baumann, and Mr. Simonovich.

The purpose of the Business Education Club is to help its members become acquainted and interested in the business world. Guest speakers and movies related to the field of business were part of the club's regular monthly meetings. Money has been made available for the purchase of some business equipment through the selling of typing and shorthand notebooks and collecting yearly dues.

A yearly event that the club members look forward to is going on a field trip. The seniors visited the Federal Reserve Bank in Cleveland. Here they spent the whole day observing banking procedures, and were later served lunch. The other members in the club visited the IBM School.

OFFICERS: Treasurer, Karen Bartlome; President, Marlene Sextella; Secretary, Sharon Hillyard.

High school FTA chapters are primarily guidance and orientation organizations for pre-professional services and developments. They may be considered, also, as service organizations for the high school, its staff, its students and the community.

After having applied for membership and after having met the required qualifications, twenty-nine new members were formally initiated on October 23, 1964. The club then had a total of fifty-five members.

FTA members help teach the elementary children at Powers and help supervise their games at lunch time. Regular meetings were held each month. At this time various speakers gave interesting talks on various fields of education. The annual Christmas luncheon at the Aquamarine highlighted the social aspect of the club.

FTA members know that "Tomorrow's future goes to school today" and the one "Who dares to teach must never cease to learn."

The "Girls' Athletic Leaders" was organized in 1963 by Mrs. Reichert to assist the girls' physical education classes, organize extra-curricular girls' activities, and to provide fellowship among girls interested in athletics. Interscholastic activities were held with near-by schools. The girls enjoyed basketball, volleyball, and track.

Activities of the GALS in 1964-65 included a swimming party at Crane pool in Oberlin, caroling at Amherst Manor, ice skating, a Patch Hop and several money-making projects. Money obtained by dances and other activities is used to purchase added equipment for gym classes.

This year's officers included president, Becky Groth; vice-president, Becky Elliot; secretary, Linda Dudish; treasurer, Prissy Swigart; and intramural director, Bev Meitzke.

The purpose of the American Field Service is to stimulate interest among students of different countries. Because the AFS program is community sponsored, it is in no way connected with the government. AFS is a non-profit making organization with all of the money being used to further the exchange program. The exchange students receive an allowance of \$14.00 per month from AFS, but such items as class rings, school lunches, pictures, and school supplies are covered by this fund. It is the job of the local AFS club to supply these funds. In order to raise these funds our high school AFS Club has operated a coat check during basketball season, has sold candy, and has collected pledges from various local and high school organizations.

The president of this year's AFS Club is Judi Collins, with Carol Magel as vice-president.

Habate Non Perspiratum

Second-year Latin students met once a month during the school year under the direction of Mrs. Thutt with the aid of the club's officers: Bruce Bacon, president; Pam Whyte, vice-president; Carol Snowden, secretary; Karen Gerhart, treasurer; and Marcia Wurst, AFS representative.

Programs included slides of Rome and other places of interest, plays, a talk on the Peace Corps by Miss Boecker, and fun-filled games and contests. The group was even honored with a visit from Jessicus, the famous oracle at Delphi.

At the annual Roman banquet, Latin I students, dressed in tunics, were auctioned off as slaves to the toga-clad second-year masters who delighted in giving their slaves a hard time. The dinner, "ab ovo usque ad mala," (from eggs to apples) was served by the slaves to their masters who ate in Roman style, with their fingers and using finger bowls.

Sometimes French students listened to travel talks or reports on famous French people.

This year the Art Club, a new organization at Steele, was quite active. The members went on many field trips to sketch and paint. They arranged an art exhibit at a Rotary Club luncheon and they sent art work to the 1965 Scholastic Art Exhibit. In March, the group participated in a caravan to visit the Akron Institute Spring Art Show. They also attended the Cleveland May Show. The Art Club organized an art exhibit for the evening of May 3, 1965 to coincide with the Library Club book sale open to the public.

The officers of the club were Steve Speckhart, president; Cheryl Papp, vice-president; Kathy Kassu, secretary. Mrs. Ford was the group's advisor.

The Pen Is Mightier . . .

Quill and Scroll, an international honorary society for juniors and seniors who have done outstanding work in journalism, was a new organization at Steele this year.

The fourteen members, who were chosen from the *Amherstonian* and *Record* staffs, were initiated at a dinner in April.

Officers for the MLS chapter were: Barb Wurst, president; Marlene Sexstella, vice-president; Jim Davidson, secretary-treasurer. The advisors were Mr. Donald Hicks of the *Amherstonian* and Mrs. Diane Abdulla of the *Record*.

The chapter is named in honor of Miss Katherine Murray, who retired after 42 years of teaching and 37 years as advisor for the yearbook.

A black and white photograph showing two hands shaking over a baseball field. The hands are positioned in the center of the frame, with fingers interlaced. The background is a dark, textured surface, likely the infield dirt of a baseball field, with some lighter patches suggesting grass or sand. The lighting is dramatic, with strong highlights on the hands and deep shadows in the background.

SPORTS

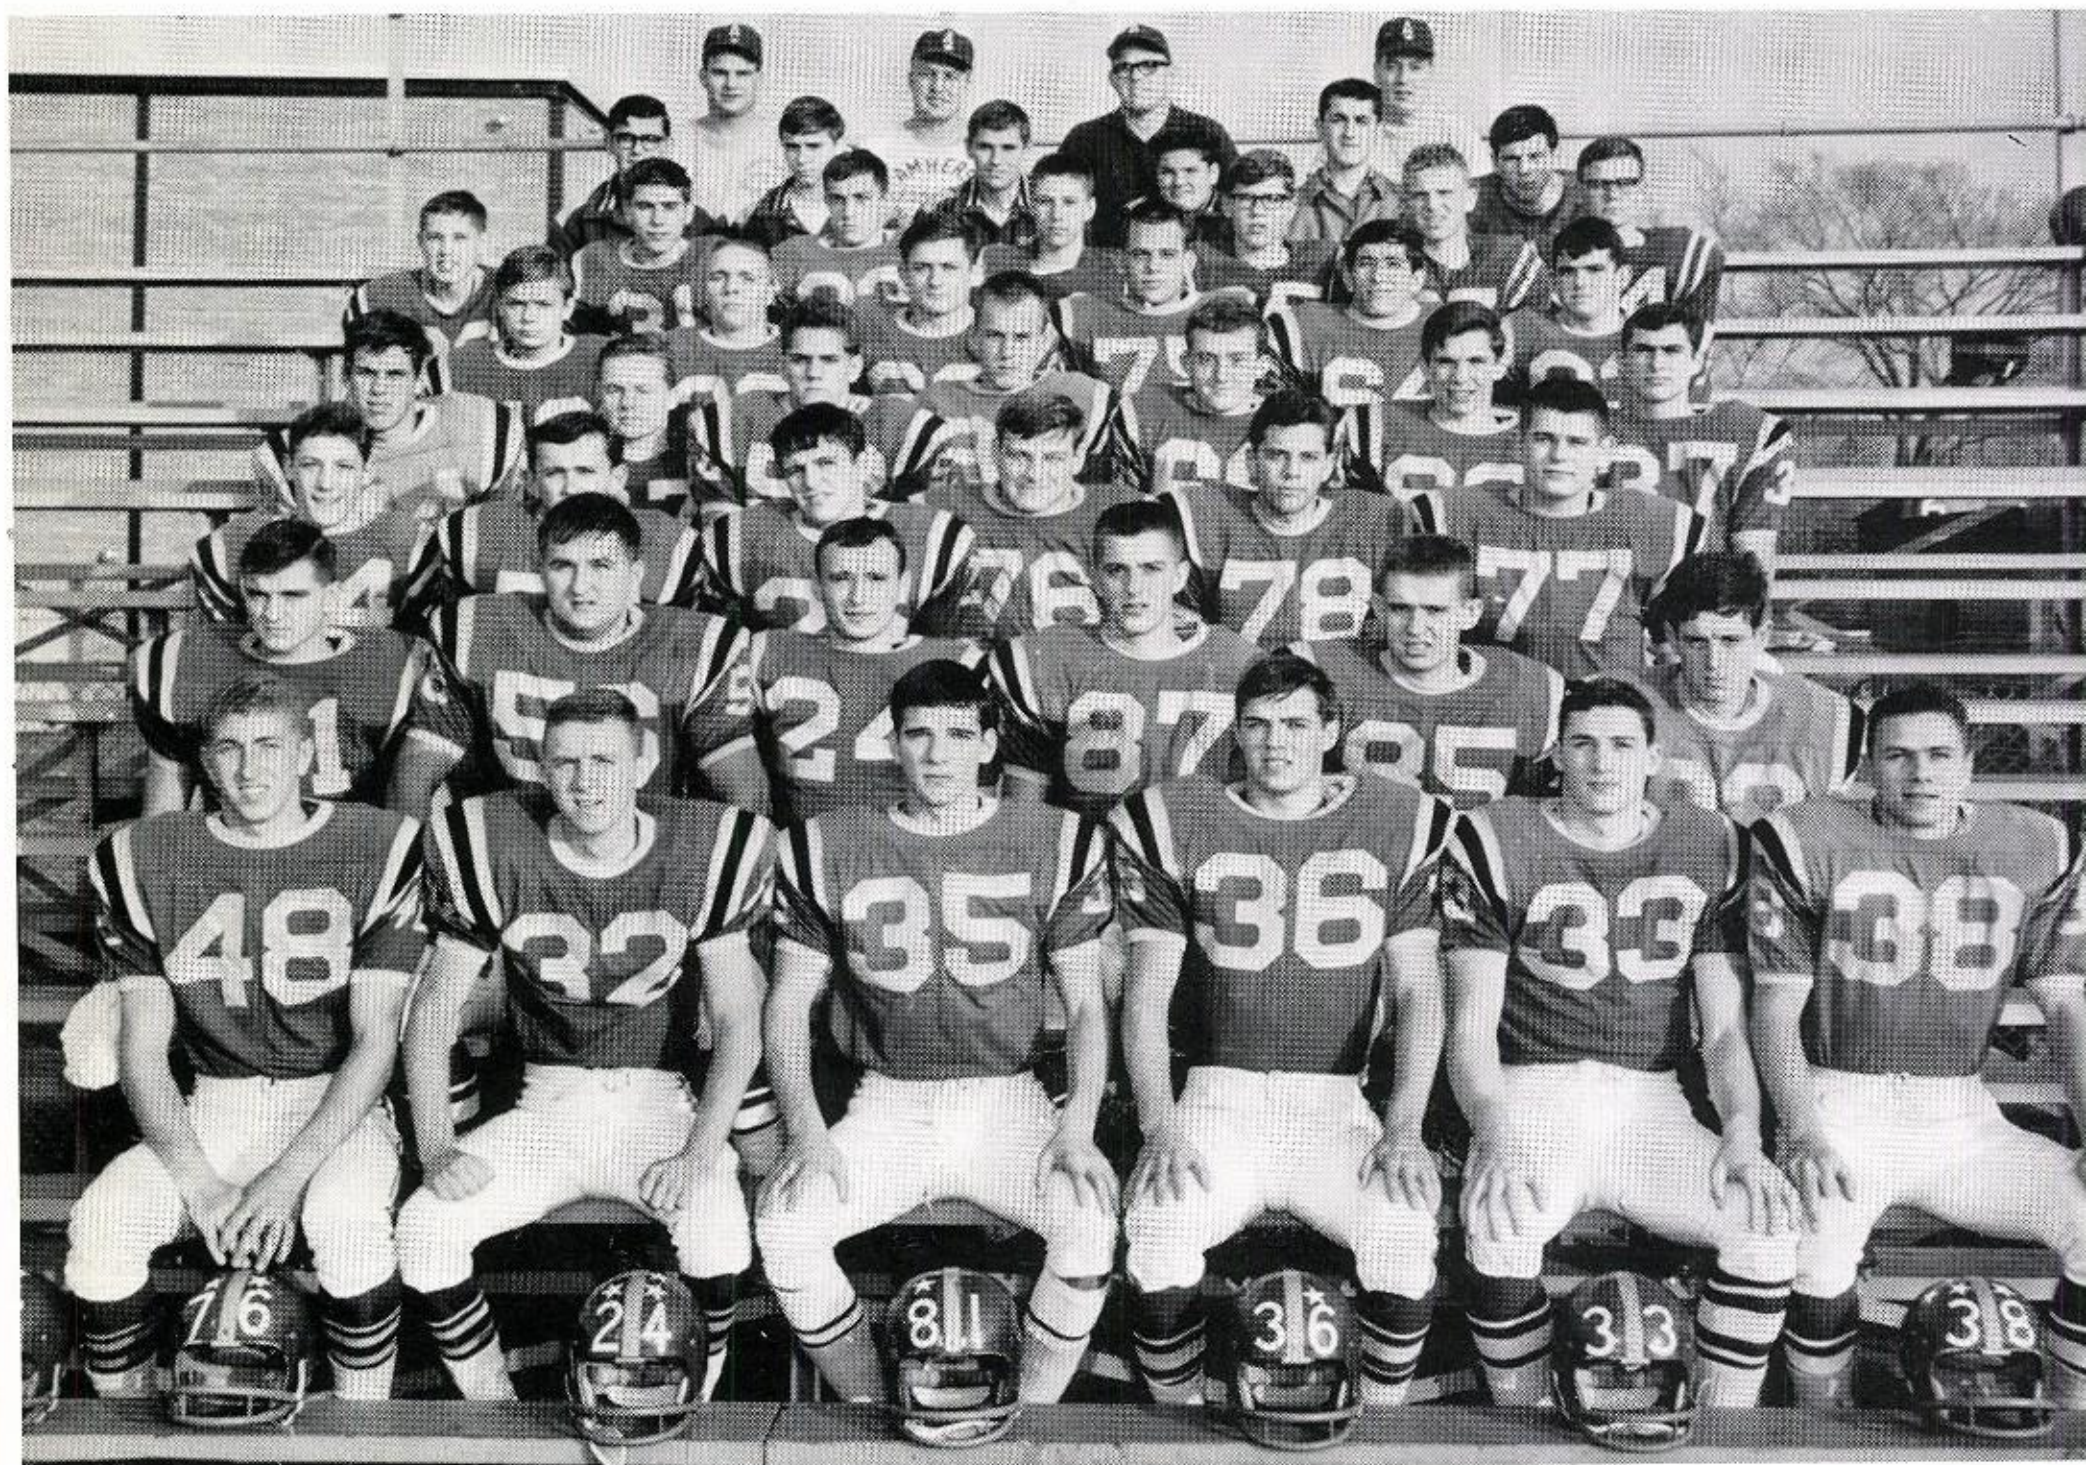

Our players use their hands to win,

Although to lose is not a sin.

They play their best for which we boast

Win or lose, they're still the most!!

I sincerely hopink that you be stayin as fine as you are beacuse if you do you will never worry when your mom finally lets you go out.

Right now I'd like to take some space to telling you how much Bob be liking you. I'm sure that he would like to make your relations more than a mere friendship but two things stand in his way, your mom and Diane. But soon maybe both will be removed and he will be free but will you?

In ending I would like to give the famoyes sayinks of Captain Penny - You can be foolink some of the pipples some of the time and most of pipples all of the time but you can't go around fooling none.

P.S. If I ever had the chance, I'd try and get your mom to say yes! So I end lovingly again!

TAYLOR PUBLISHING COMPANY

"The World's Best Yearbooks Are Taylor-made"

Tyler,

So one tuffest "Palphers" around.
This is really the first time I've
really ever talked to you in ages,
but I'll find something to say,
(and not about your master!)

I'm really about that

I'm really glad you're having
fun this year with all your
"new" friends. (This may sound
kinda weird cuz I'm in one of
those moods.)

Don't forget Texas, Mexico (all
those strip joints we were in) the
world war II plane (3-5), your
mama, the junkies in Joplin, Mo,
and everything else we did (I hope
I know.)

Someday we'll have to have
a long talk (forget about
that back page in last year's
yearbook) like we used to have.
You'll have to bring me
upon all the new sky
facts you've learned in the
last year. But until then
be good and don't go near any
one-up, caved in chests,
Korean shirtd (red green,
pink, yellow) disabled seafarers
without me. Love, Tyler
